2. Mix flour, baking soda, salt, and turmeric in one bowl.
3. Mix sugar, molasses, butter, eggs, and vanilla in a second bowl.

7. Bake for 15 minutes.

Notes

Makes about 13 cookies. These should be soft, bready, and not as sweet as most cookies. Do not butter or grease the baking pan. This recipe is the current best batch that I have made. To make more crumbly, buttery cookies, reduce flour to 100g.

Figure 1: This batch was cooked on an "Airbake" brand, hollow, aluminum baking pan on the middle rack.
